The irreparable damage of "THREE TALAAQS"

There is a common misunderstanding that three Talaafs have to be uttered for the divorce to be valid and that the Talaaf does not occur by giving one or two Talaafs. **This is absolutely wrong!** Giving three divorces at once is a great sin and causes the marriage to be absolutely terminated, with no room for reconciliation.

Issuing one Talaaf also gives effect to a divorce. In fact, only one Talaaf should be issued at a time, as this leaves room for possible reconciliation in the future.

The community is requested to refer divorce related issues to Ulama and act upon their advice, rather than acting on impulse or ignorance and cause irreparable damage to the marriage.
